What happens if I need to cancel or amend my booking?

Here at Forbesy Camps we understand that your childcare plans can change right up until the last minute, this is why we offer our flexi-ticket, which can be purchased at the time of booking.

For just £2.50 a day, our flexi-ticket provides complete flexibility to change your date right up until the last working day before your child/children are due to attend in any given week. If you are unable to decide on a change of date at the time, then we will happily offer you a credit to be used within the following 12 months.

Please note that without the flexi-ticket we are unable to change your dates or offer a credit once you enter the 14 day period before camp.

Is there a deadline to book?

Subject to availability, we can take bookings up until a session is due to start, as long as you have registered via our system.
