

FUN SWIMMING At Forbesy Camps!

Swimming can be booked through "Camp Extras" tile on iPal. It has a surcharge of £6. The surcharge contributes to the very high cost of hiring the swimming facilities, which is an additional cost to Forbesy Camps. We have not raised the surcharge as we want to support out families. It also pays for the fully qualified lifeguard. Swimming sessions are 45 minutes, and Full Day camper who are booked in for swimming get a second swim for free at 4pm (this does not apply to Early Year swimmers for a second free swim at 4pm).
