What We Offer Our Older & Teenage Campers

Forbesy Camps are passionate about the development of campers of all ages. We don't just take care of your children in a safe, fun environment — we're dedicated to developing their **confidence, communication skills and inspiration** through attentive, meaningful social and professional interaction.

We've spent a lot of time looking at how best to serve our older and teenage campers who are looking for a more mature experience and/or more responsibility:

1 • Youth Club — Age 9+ ONLY

We've created a supervised area where age 9+ can have a space during break just for them — to play games or have **offline social fun!**

2 • The Fox Tail Initiative AGE 9-11

At age 9, children qualify to become a **Fox Tail!** This runs until age 11 (or 12 if they don't want to progress to Fox Leader). What it means:

- ✓ They're now a member of the **Youth Club** — big landmark!
- ✓ Invited to be a **helper with the EYs** in craft or active activities — building real responsibility.
- ✓ Part of the **Fox Tail team**, where staff build their confidence, self-image and sense of responsibility.
- ✓ Be a helper, or join your own fun activities **whenever you want!**
- ✓ Help the Fox Leaders **run the tuck shop.**
- ✓ Entry into **"Fox Tail of the Week"** — a £10 voucher.

3 · The Fox Leader Experience AGE 12-14

At age 12, children start transitioning towards becoming a young adult. Whilst they still enjoy playing, it's important to offer this age group the choice of being a camper — **or** an experience that develops the skills needed to enter the world of employment. We run these days at a **reduced cost of £27.65** for 8.30am–3.30pm / 5.30pm.

Leadership Skills They'll Build

By assisting and supporting the Senior Den Captains in activities — and working closely with our Welfare Manager and Camp Manager — your child will learn and improve:

- ✓ Confidence
- ✓ Problem solving
- ✓ Self-awareness
- ✓ Adaptability
- ✓ Relationship building
- ✓ Time management
- ✓ Decision making
- ✓ Critical thinking
- ✓ Conflict resolution
- ✓ ...and how to have **social and active fun!!!**

Fox Leaders both shadow and observe staff, and can be matched with activities they have a particular interest in — as well as being free to join the camper fun session **whenever they want to**.
